Easter Stunts Camp 2021 Information Pack

The days will be 5 hours long and with 5 small groups we will aim to rotate each workshop accordingly. The skills that will be worked on are as followed:

Freerunning/Parkour
Acrobatics
Stunts / Action Training with Cardboard Action Sets
Aerial Circus
Trampoline

All of these skills will be taught in an COVID appropriate manner and so we will have to work within the boundaries of the participants current skill level. Please understand that these are unprecedented times and we have had to implement changes to our structure to comply with COVID regulations - these new systems in place mean that we are still learning/adapting as we go along.
